2019 CAMPING INFORMATION

IMCA and Boone Speedway welcome you to the IMCA Super Nationals and wish to make your visit at American's Racin' Vacation an enjoyable one.

We have made changes to camping registration due to the popularity and increase in campers.

1. Registration forms are available at www.RaceBoone.com and www.IMCA.com. No Refunds.
2. A completed registration form is required for each camper. A confirmation will be sent to the email address you provide on the form. Camping and vehicle tags must be picked up at the camping office located in front of the grandstands upon your arrival. Late requests may not receive an email confirmation.
3. Returning campers who send in their request prior to the July 22 deadline will be given priority. This does not guarantee the same spot(s) as prior years. Returning campers who send in late requests will be assigned spots on a first come, first serve basis.
4. Returning campers requesting additional spots must fill out a form for each camper within your group. All requests for a group must be submitted together. No additional spots are available in sections A to M. No request for additional camping spots in sections A to M will be filled. If you require additional spots you will need to move to the south campground.
5. All campers must park diagonally in camping spots, except in A, G, M, N.
6. Campers with slide-outs on both sides require 2 spots.
7. Campers requesting two spots must indicate if the additional spot is for a slide out or for a head to head spot (required for units longer than 35 or 40 foot length with vehicle, depending upon your selected camping spot). Side-by-side spots can be used for the additional vehicle and one for the camping unit, as long as the total length of the camping unit does not exceed 35 or 40 feet. Check the registration form for the length of each section.
8. Camper Registration Ticket must be displayed on your camper's entry door. Vehicle Registration Ticket must be displayed in the left front windshield.
9. If we are unable to fill your request within the same camping section we will do our best to assign your additional request in close proximity as possible.
