IMCA and Boone Speedway welcome you to the IMCA Super Nationals and wish to make your visit at American's Racin' Vacation an enjoyable one.

1. Deadline for camping renewals: July 18, 2025. Deadline for all camping registrations: August 18, 2025. After August 18 you will need to register and pay for camping at the track. A late fee of \$50 per camping stall will apply after August 18. Campers registering at the track are required to check in at the camping office at the main grandstand ticket booth PRIOR to parking their camper. Please have a registration form filled out prior to arrival to speed up the process. **No checks accepted at the track, CASH ONLY.**
2. A completed registration form is required for each camping stall, even if you're part of a group. A confirmation will be sent to the email address provided on the registration form.
3. Returning campers who request their prior year camping spot will be given priority. This does not guarantee the same spots as prior years. If we are unable to fill your request within the same camping section as prior years, we will assign you a new location.
4. Campers who need to change the contact name for their camping stall must contact Jim and submit a new registration form, failure to do so will void your previous registration. No exceptions.
5. Campers with slideouts on both sides, or a slideout and a large awning will require 2 side-by-side stalls. Campers longer than 35 or 40 feet with vehicle will require 2 head-to-head stalls. Check the map on the registration form to see the length of each section. You **MUST** indicate on the form if you need side-by-side or head-to-head stalls to fit your camper.
6. If we are unable to fill your request within the same camping section we will do our best to assign your additional request in as close proximity as possible.
7. No new requests will be honored in sections C through M. If you need additional adjoining camping stalls after submitting your registration, you must contact Jim for availability.
8. New campers in 2023 and 2024 will not be guaranteed a camping stall in C through M. Campers in these years will be assigned based on availability.
9. No campers or vehicles will be allowed in the campgrounds until Friday, August 29, at 10am, without prior authorization. Campers in the VIP area will be allowed to enter on Thursday, August 28, at 10am. **All campers and vehicles in the campgrounds before the opening date and time will be towed without notice.**

Weekly parking permits are available for \$100 in shaded green areas in Sections F and G and along the SE section line fence west of the SE pit entrance.
